

**TRADITION OF QUALITY
SINCE 1929**

Grain processing plant «Zlak» is one of Russia's largest producers of flour, pasta, baking mixes and ready-made breakfast cereals produced under the famous Russian brand «Uvelka».

HISTORY REFERENCE

The company was founded in 1929, at that time it was a Soviet grain elevator. Today the plant is a real industrial giant company, processing up to 500 tons of grain and 60 tons of rye per day.

Extensive technological base and vast experience in the field of flour milling allow us to produce the best products in the industry.

We are engaged in the production of graded flour, rye flour, multi-component baking mixes, ready-to-eat breakfast, granular bran, mixed fodder, as well as provide a range of services, including: storage, drying, grain cleaning, etc.

ABOUT COMPANY
PRIVATE LABEL

HIGH QUALITY OF OUR PRODUCTS AND THEIR DEMAND IN THE MARKET ARE DICTATED BY SEVERAL IMPORTANT FEATURES:

- established partnerships with farms, allowing us to obtain the necessary raw materials to meet the requirements of production;
- modern laboratory complex, whose specialists select only the best grains for production and control the quality of output;
- own production facilities, allowing simultaneous placement and storage of up to 100 thousand/ tons of grain;
- licensed Swiss “Buhler” equipment, thanks to which we produce a modern high-quality product;
- developed logistics center, making it possible to quickly and carefully deliver our products to the farthest regions of the Russian Federation and abroad.

PRIVATE LABEL

«Uvelka» company offers services for the production of our products under the customer’s own brand name. Our company undertakes all work related to the product release, as well as assisting in the development of design layout, services for responsible storage in our warehouses, optimizing the cost of packaging due to the joint circulation.
